## **Android App Privacy Policy**

University of Missouri Android App (henceforth, The App) does not collect or transfer any data to us or to any third party apart from the circumstances explained below.

### **Access to Canvas**

The App does require your Mizzou K-12 Canvas username and password to access Canvas for course information such as modules, assignments, pages etc. In all cases data transferred is to the phone via web services. No data is transmitted by us or any third party. Canvas username and password are used to request the access token from Canvas Server. Username and password are not stored on the device.

### **Download Data**

The App does store downloaded data from Mizzou K-12 courses, such as modules, assignments, pages etc. They are stored on the device so that users can continue using Mizzou K-12 Course Reader when there is no internet access. No data is transmitted from the device.

### **Support**

For support issues with the Mizzou K-12 Course Reader app, contact [mizzouk12online@missouri.edu](mailto:mizzouk12online@missouri.edu).
