

MAXIMIZE YOUR BUYBACK CHECK

TEXTBOOK CONDITION GUIDELINES

Four key areas we will look at when checking in your books:

Cover/Spine Condition

Both the front and back covers must be fully intact. The spine cannot be significantly weakened or torn. Normal wear associated with the rounding of corners is acceptable.

Excessive Writing/Marking

No more than five pages may be written on in study guides. Excessive highlighting is not acceptable. Writing or drawing on the sides of the book is also not acceptable.

Water Damage

Books that are disfigured due to water or fluid exposure are not acceptable.

Missing/Torn Pages

Books with any missing or torn pages are not acceptable.

The full list of book conditions is available at:
